I am licensed and certified by the Minnesota Peace Officer's Standards and Training Board (P.O.S.T.). I am currently assigned to Major Crimes Investigations, specifically the Homicide and Robbery Unit. I have executed numerous search warrants that have resulted in the recovery of evidence, substantially

lending to the successful prosecution and conviction of individuals.

On 1/10/2022 at 2133 hours Saint Paul Police Officers responded to 502 Prior Avenue North on a report of a male being shot. Witnesses near the scene called 911 and reported a man was laying near a vehicle, later identified as WI license 651-XXC (2001 Chevrolet Tahoe, black, VIN: 1GNEK13T91R145330)). Saint Paul Fire Department Medics responded to the scene and located a victim with a gunshot wound to his body. The victim was later identified as OTIS RODNEY ELDER (dob 04/03/1983). ELDER was transported to Regions Hospital where he was pronounced deceased. Money, a pill, and suspected marijuana were seen in the front seat area of the vehicle and money was also found on the street near the vehicle. The vehicle also had what appeared to be blood and blood spatter in the front seat area. A spent shell casing was also located on the ground near the vehicle.

Officers also identified potential witnesses on scene. Two of the witnesses hereinafter described as C.L. and X.B. were brought to Saint Paul Police Headquarters for interviews. Your Affiant spoke with C.L. and he stated he operates a recording studio at 502 Prior Avenue North. X.B. met him there on 01/10/2022 at 2030 hours to do a music recording. At approximately 2130 hours C.L. heard what sounded like a gunshot. He and X.B. went outside and found ELDER on the ground near WI 651-XXC and suffering from an apparent gunshot wound. Nothing else was seen or heard according to C.L.

Investigators spoke with a witness hereinafter referred to as R.B. over the phone. R.B. told investigators that he was on the phone with ELDER during the incident and believed he heard the homicide occur. R.B. reported hearing ELDER tell someone not to get in the back of his vehicle and to wait until he was done dealing with the person in the vehicle. R.B. stated he believed ELDER had been selling drugs to someone in the car when another person tried to get in the backseat. R.B. then heard a struggle on the phone, and he heard someone say, "pop this nigger if he ain't gonna give it up." R.B. stated the phone went "dead" and he tried to call back ELDER numerous times, but the phone would go straight to voicemail.

Your Affiant reviewed surveillance footage in the area of the incident. Prior to the incident two other vehicles can be seen near ELDER's vehicle. One of the vehicles was a dark BMW and the other vehicle was a light-colored Mercedes. After the incident, the Mercedes is seen fleeing at a high rate of speed northbound on Prior to westbound University. Additional video footage showed the incident and included audio of a gunshot. There were two persons at ELDER's vehicle when the gunshot is heard. Both persons run to the Mercedes after the incident. One of the suspects is wearing a dark jacket and a gray hooded sweatshirt, hereinafter described as suspect #1. The other suspect is wearing all dark clothing, hereinafter described as suspect #2. Suspect #2 enters the right front passenger side of ELDER's vehicle as suspect #1 stays outside the vehicle. At one point the suspect #1 moves toward the driver's side door of ELDER's vehicle. Suspect #1 is then seen taking a step back and a gunshot is heard. The right front passenger door opens and suspect #1 appears to

Application Page 4 - 10

open the driver's door of ELDER's vehicle. Suspect #1 then appears to be grabbing items from inside the vehicle and from the ground around the vehicle. Suspect #1 then runs southbound to the Mercedes and is joined by suspect #2 at the rear of ELDER's vehicle.

Members of the St. Paul Police Special Investigations Unit (SIU) reviewed additional video evidence collected and tracked the Mercedes traveling via I-94 westbound to the Grant/11<sup>th</sup> exit in Minneapolis and stopped at 1117 South Marquette Avenue, Minneapolis, MN.

Hennepin County Sheriff's Office and Minneapolis Police Department criminal analysts were contacted to assist in this investigation. The agencies recalled the suspect vehicle fit the description of a 2014 gray Mercedes-Benz CLS250 (Massachusetts plate - 9AD213) involved with multiple incidents in the metro. Below are some of the incidents.

On 11/27/2021 at 1416 hours, the 2014 gray Mercedes-Benz CLS250 (Massachusetts plate - 9AD213) was stolen after a test drive (MPD CN 21.272.542).

On 12/28/2021 at 1713 hours, the 2014 gray Mercedes-Benz CLS250 (Massachusetts plate -

9AD213) was noted because the DEA aired a Somali male with a gun near the vehicle at Cedar Ave and Washington Ave S (MPD 21.296.173).

On 12/28/2021 at 1747 hours, the 2014 gray Mercedes-Benz CLS250 (Massachusetts plate - 9AD213) was noted as being in a pursuit (UMPD CN 21.296.201).

On 01/04/2022 at 1728 hours, the 2014 gray Mercedes-Benz CLS250 (Massachusetts plate - 9AD213) was a suspect vehicle in a theft (MPD CN 22.002.603).

On 01/07/2022 at 1950 hours, the 2014 gray Mercedes-Benz CLS250 (Massachusetts plate - 9AD213) was noted as being involved with the theft of a Maserati at 2620 24<sup>th</sup> Ave E. The victim of the theft looked for assistance in locating his vehicle via social media (Instagram). The victim was sent a "tip", which was a capture of a video post from the Instagram account of "cgm.lil top" (<https://www.instagram.com/cgm.liltop/>) with display name of "Certified M". The photograph was taken in a garage. There were two other Instagram accounts "tagged" in the post that were "cgm.glizock" and "slime\_gizness". The Maserati was located at 400 21<sup>st</sup> Ave S. The Mercedes was captured on security camera footage entering and exiting the ramp.

The Instagram account vanity name "cgm.liltop" is believed to be affiliated with [REDACTED] [REDACTED] [REDACTED]. Additional posts on the Instagram account "cmg.liltop" have photos in front of a silver Mercedes with black wheels. Follow up investigations determined that the main user of "cgm.liltop," is, Feysal Jama ALI, (Dob: 10/08/2005).

Your Affiant and Sgt. Skog showed photos of [REDACTED] and his associates to the management of 1117 Marquette Avenue S, Minneapolis, MN (Bolero Flats Apartments) who recognized them as being affiliated with apartment #1403. The apartment is rented to Abdulaziz Ibrahim ROBE (dob 08/12/1995). Isaak Ibrahim ROBE (dob 12/20/1999) and MOHAMED Ibrahim ROBE (dob 12/20/1999) are brothers to Abdulaziz Robe that frequent this address.

On 01/14/2022, assisting officers located an Instagram "live" video on 01/14/2022 at 1357 hours. The video showed [REDACTED] in an indoor pool. The background of the photo was a wall that was white on the bottom half and blue on the top half. There was a planter next to what appeared to be an entrance to the pool. There was also a window to the right of the door. I performed a search of Bolero Flats website

Version 1.0

Application Page 6 - 10

(<https://www.boleroflatstpgliving.com/photogallery.aspx>). I believed the "cgm.liltop" was on Instagram "live" from inside the pool at the Bolero Flats Apartments based on the images.

The SPPD Forensic Services Unit processed ELDER's vehicle and recovered a latent fingerprint that matched a MNBCA file to a male named Mujahid-Deen Samir ABDUL-AZIZ (08/27/1996). ABDUL-AZIZ shares an address with the registered owner of MN plate 534UYL (2016 silver Ford Fusion), which received a parking ticket on 09/09/2021 at 1121 Marquette Ave, near the Bolero Flats. Also, on 09/09/2021, Isaak Ibrahim ROBE was cited in that same vehicle (MN plate 534UYL) for driving after revocation.

On 01/21/2022 the Mercedes (Massachusetts plate - 9AD213) was located by an off-duty University of Minnesota police officer in the Leamington parking ramp at 1001 2<sup>nd</sup> Avenue South, Minneapolis, MN. The officer recognized the vehicle from an alert issued to law enforcement prior to 01/21/2022. The vehicle was secured and towed to the Saint Paul Police Impound lot. A search warrant was executed on the vehicle and the following fingerprints were recovered from the Mercedes:

-SPEED, Mekhi Camden (Dob:3/11/2004).

██████████ ██████████ ██████████  
██████████ ██████████ ██████████ ██████████

Your Affiant and Sgt. Skog located video footage from the Bolero Flats that showed the Mercedes parking in the Bolero Flats parking ramp at approximately 2216 hours on 01/10/2022. Two persons matching the suspects involved in the homicide of ELDER were seen exiting the vehicle. Another person described as a black male, long hair, wearing a red jacket with black lining, gray pants, and dark shoes with white soles was also seen exiting the vehicle. This male did not have any portions of his face covered and was recognized by Law Enforcement from past contacts as ██████████ ██████████ ██████████ ██████████ was arrested on 01/16/2022 by Minneapolis Police for numerous warrants to include a warrant for Aggravated Robbery First Degree. ██████████ was arrested at his home, ██████████ ██████████ ██████████ ██████████. When arrested ██████████ was wearing the same red colored coat as viewed in surveillance video at the Bolero when they returned after the homicide. He was also in possession of a cellphone and Mercedes key fob which he left in his bedroom. ██████████ is currently in custody at the Hennepin County Juvenile Detention Center.

Additional video footage from the Bolero Flats was collected and watched. The suspects were seen walking through the building and eventually entered the elevator. The suspect wearing the dark colored jacket and gray hooded sweatshirt can be seen in video footage manipulating some solid object in the front pocket of his hooded sweatshirt, he conceals the

Version 1.0

item with his outer jacket as he approaches the security officer who works at the front entrance of the Bolero Flats.

Your Affiant and Sgt. Skog returned to the Bolero Flats and watched surveillance footage of the suspects with staff. Staff believed the suspect with the dark coat and gray hooded sweatshirt was associated with apartment 701. A subsequent check of police records related to the apartment provided the name of Mekhi Camden SPEED (dob 03/11/2004). Staff informed us SPEED had requested a job for that apartment in the past. SPEED was transported by Minneapolis Fire Department medics from the apartment on 01/22/2022. SPEED matches the suspect wearing the dark jacket and gray hooded sweatshirt. Bolero staff informed us that apartment 701 is rented by Tatyana Alexis HENDERSON (Dob:06/06/1999), and they noted a boyfriend lives with HENDERSON. Bolero staff stated there have been several police calls to this apartment. A search of Minneapolis Police reports for apartment 701 shows that the boyfriend to HENDERSON is Marlon Cornelius SPEED Jr (Dob:12/7/1998). A search of law enforcement databases showed that Marlon SPEED and Mekhi SPEED are brothers.

We checked with Hennepin County probation and were told Mekhi SPEED uses the address of 1117 South Marquette Avenue, apartment 1402 as his home address. Staff informed us the female renter of that apartment lists Mekhi SPEED as a child who lives with her.

Investigator reviewed several police reports regarding SPEED, [REDACTED] and [REDACTED]. We found that [REDACTED] and [REDACTED] are known associates and have been arrested together in the past. We viewed several Instagram vanity account names linked with 'cgm.liltop, which includes pictures and videos. In these accounts we found [REDACTED] driving in a Mercedes and several videos he posted inside the pool of the Bolero Apartments. [REDACTED] has also taken several photos with Mekhi SPEED where they are displaying guns and cash.

Your Affiant is requesting to search for the clothing the suspects were observed wearing during and after the murder of ELDER to include clothing worn by the suspects when they abandoned the stolen Mercedes at the Leamington ramp after the homicide. Investigators noted in the video at the Leamington parking ramp, the suspects used a large dark colored duffel bag to store items from inside the Mercedes. Your Affiant requests to recover any large dark colored duffel bags related to this incident. Investigators also found that prior to the suspects leaving the car in the Leamington Parking ramp, they used a fire extinguisher to spray on the inside of the car. Your Affiant requests to search for any fire extinguishers that may have been used by the suspects.

At the scene of the homicide, investigators recovered one .223 caliber spent cartridge case, therefore your Affiant requests to search for firearms and firearm indicia. Through the

Version 1.0

Application Page 8 - 10

investigation, investigators learned that the suspects were attempting to rob the victim of money and/or drugs. A large amount of cash was found outside and inside the victim's vehicle as well as some narcotics were located in the vehicle. Your Affiant is asking to search for controlled substances and US currency which may have been taken from the victim during this homicide.

Your Affiant is asking the courts permission to collect cellular phones, communication devices, tablets and Ipads. Affiant Zebro is aware through training and experience that people communicate via cellphones. Individuals also use social media including but not limited to SnapChat, Facebook, Instagram, Twitter, and other social websites to send and receive messages, photographs, and communicate in other ways. Often times these social websites can be accessed via cellphone, but also through tablets, computers, and other devices. Your Affiant also learned through this investigation that after ELDER was killed, both his cellphones were taken from his vehicle and subsequently turned off. Your Affiant requests permission to seize cellphones and any of the above electronics and to forensically download those items to preserve any evidence contained therein.

**(End of Page)**

A nighttime search outside the hours of 7 a.m. to 8 p.m. is necessary to prevent the loss, destruction or removal of the objects of the search or to protect the searchers or the public because This homicide at 502 N. Prior in St. Paul was a violent robbery where the suspect shot the victim with a .223 Caliber firearm. The suspects then fled to the Bolero Flats Apartments in Minneapolis where SPEED was seen on video trying to manipulate and cover up an item in his pants and coat which your Affiant believes was the firearm used to kill Elder. These suspects have been actively involved in numerous crimes throughout the metro since at least November 2021, to include robberies, firearm incidents, and fleeing the police in a motor vehicle. A criminal history review of the known suspects in this homicide revealed that they have a history of violent crimes. The suspects have been posting videos and photos on Instagram holding several different firearms to include a rifle, possibly the murder weapon. The suspects have also been posting videos inside the Bolero Flats Apartments in the pool area showing they are still active in the Bolero Flats apartment complex. .223 Caliber rifle rounds can penetrate police body armor, a nighttime search warrant enables officers to execute the warrant more safely by allowing officers to make entry into the apartment without alerting the suspects inside. This will not only increase officer safety, but it will also decrease the risk for injuries to the suspects and other residents nearby.

A no-knock entry is necessary to prevent the loss, destruction, or removal of the objects of the search, or to protect the safety of the searchers or the public because, This homicide at 502 N. Prior in St. Paul was a violent robbery where the suspect shot the victim with a .223 Caliber firearm. The suspects then fled to the Bolero Flats Apartments in Minneapolis where SPEED was seen on video trying to manipulate and cover up an item in his pants and coat which your Affiant believes was the firearm used to kill Elder. These suspects have been actively involved in numerous crimes throughout the metro since at least November 2021, to include robberies, firearm incidents, and fleeing the police in a motor vehicle. A criminal history review of the known suspects in this homicide revealed that they have a history of violent crimes. The suspects have been posting videos and photos on Instagram holding several different firearms to include a rifle, possibly the murder weapon. The suspects have also been posting videos inside the Bolero Flats Apartments in the pool area showing they are still active in the Bolero Flats apartment complex. .223 Caliber rifle rounds can penetrate police body armor, a no-knock warrant enables officers to execute the warrant more safely by allowing officers to make entry into the apartment without alerting the suspects inside. This will not only increase officer safety, but it will also decrease the risk for injuries to the suspects and other residents nearby.

Investigative activities supporting no-knock entry:

Your Affiant has reviewed criminal histories of the suspects and reviewed reports relating to crimes these suspects have been involved with in the recent past. Investigators are currently monitoring the suspects Instagram and Facebook social media accounts, where the suspects are

Application Page 10 - 10

posting videos and pictures while holding various firearms. Surveillance has recently been conducted on the suspects at the Bolero Flats Apartments. Investigators have reviewed video at the Bolero Flats apartments to show that they are still active at this complex since the homicide. Investigators have also met with Bolero Flats management who are aware of some of these suspects, and they stated they have seen them numerous times in the building since the homicide. Investigators have reviewed the Bolero Flats key fob log to show that SPEED has been actively using his key fob to gain access to the Bolero Flats building since the homicide.

Use of a no-knock entry has been reviewed and approved by Sheila Lambie on 2/1/2022 at 11:07:09, and Stacy Murphy on 2/1/2022 at 13:07:52.

I request a search warrant be issued, commanding Daniel Zebro, Minneapolis Police Department and St. Paul Police Department., peace officers of the State of Minnesota, and any other authorized person, to enter and search without announcement of authority and purpose between the hours of 7 a.m. and 8 p.m., and a nighttime search outside those hours, to search the above described premises for the described property and thing(s), and to seize and keep said property and thing(s) in custody until dealt with according to law.
